Dear Reverend Asonye:

On behalf of *JobLink*, I would like to thank you and Meade Memorial for your generous gift to the Life Skills Support Group. Your commitment to helping families in our community is greatly appreciated.

Each year *Joblink* continues to advance its mission to “Link Good People to Good Jobs”. Through the Life Skills Support Group, we have seen many lives changed for the better.

Because of your generosity, a number of our clients will use our services to overcome barriers to employment and progress toward self-sufficiency. With the help of donations from supporters such as you, we will continue to see increasing independence in the clients we serve. Thanks again for your support.

Best Wishes,

D.J. Moorman, CWEP/PSP Account Manager
