MARTIN LUTHER KING JR. DAY

Alexandria, Va.— January 13, 2023 — In observance of Martin Luther King Jr. Day, The Very Rev. Collins Asonye, Rector at Meade Memorial Episcopal Church, announces our city Mayor Justin Wilson and five [5] of the city council members will be serving the homeless community from 11:30 a.m. to 12:30 p.m.

Positive Community Impact

FEEDING THOSE IN NEED IN ALEXANDRIA

For over 20+years, as part of its Outreach Ministry, the Meade Memorial Episcopal Church has been committed to the Bag Lunch Ministry to help transform our community, our neighbors, and ourselves. Although the city of Old Town Alexandria may not seem like a community where people are in need, it is. To address this need, with the help of volunteers we serve close to 250 brown bag lunches every week at our location. In addition to distributing brown bag lunches to those in need, there is also our emergency food assistance to families sent from the City of Alexandria's Social Service. Volunteers pack the brown bags and help in connecting guests with resources and benefits. The ministry hosts volunteers from Volunteer Alexandria, congregation, staff, and community partners.
