JAZZ AT MEADE 2023

21-MAY THE VIBE COLLECTIVE

The Vibe Collective is a Latin Jazz ensemble dedicated to laying down the tight grooves and inventive improvisations that typified the Afro-Cuban music scenes of New York and San Francisco in the 1960s and beyond. This diverse group of musicians brings their backgrounds in music ranging from mambo, rumba, samba, calypso, timba, jazz and afro-beat to the works of Cal Tjader, Miles Davis, Horace Silver, Tito Puente, Mongo Santamaria and many more.

With strong foundations in dance and dance accompaniment, the Vibe Collective churns out rhythms that move the bodies and spirits of their audience. Get ready to experience a new sound featuring the vibraphone as well as other latin percussion instruments played expertly by this talented ensemble.

Whether you're kicked back with a cool beverage or heating it up on the dance floor, the classic and original arrangements of Afro-Cuban jazz by the Vibe Collective will inject some summer into your soul!
